<p>1. Prior to G HESBAU's departure for a month's leave in the Caribbeas, he referred to the fact that his Headquarters was in the process of planning study trips for the forthcoming year and asked whether WOFAC would look with favor on a visit by GDR. SCHREITER, chief of Documentation in Auswertung, to WOFAC Headquarters. G HESBAU said he had no details regarding such a visit but noted that it had been programmed into the CATUNK budget. He indicated that his query was informal in nature and was not to be considered a formal proposal. After his return, we propose to inform G HESBAU that we have found little enthusiasm for such a visit and indicate our intention of awaiting a more specific request from CATUNK Headquarters before taking any position.</p> <p>2. In further reference to the CATUNK budget, G HESBAU noted with a great deal of disappointment that there was no provision in it for a new house for him in the coming fiscal year.</p>
